BIO

Haley Staack is an evidential medium, Appalachian folk witch, paranormal researcher, and on-camera personality rooted in the traditions and landscapes of Appalachia. Her magick draws from Appalachian folk practices, conjure, and a deep commitment to preserving the old ways. Through mediumship, ritual, foraging, and nature, she helps others connect with loved ones who have crossed, explore unseen realms, and recognize the magick within themselves. Her love of haunted places grew into a calling to help spirits tell their stories. What began with a single haunted clown doll led Haley to become a caretaker and collector of reportedly haunted objects, providing them with a safe and respectful place to simply be. Most often found among her flowers, gardens, and the spirits of the woods, she believes her deepest purpose is to help others heal through understanding, connection, and respect for the unseen. Haley is the co-creator, a principal cast member, and a researcher on *Conjuring Truth*, the upcoming ScareNetworkTV Original Series produced by Shadow Work Productions LLC.

ORIGINAL SERIES

Conjuring Truth follows a fearless team of occult practitioners, mediums, paranormal researchers, and academic experts as they investigate dark hauntings, supernatural claims, hidden histories, folklore, and ritual traditions. Traveling to locations steeped in legend and feared for generations, the team examines the beliefs, practices, and real experiences behind the stories—approaching the occult not as outsiders, but through lived experience, historical research, authentic practice, and disciplined paranormal investigation.

Blending immersive rituals, expert insight, personal transformation, and evidence-driven fieldwork, the series challenges exaggerated, fear-based portrayals of the occult and supernatural. *Conjuring Truth* seeks the truth buried beneath myth, separating fact from fiction while taking audiences beyond conventional paranormal television and into the deeper human experiences of belief, fear, identity, spirit, and the unknown.
